Recap

1. MAARP is the acronym to explain why the Bible is true and not like any other book.

- Manuscript Evidence relates to both the quality and quantity of the manuscripts that make up the Bible.
- Archaeology indicates that the places and peoples in the Bible really do exist.
- Authors refer to those people who were qualified to write the Bible.
- Real relates to the inclusion of both embarrassing as well as heroic events in the Bible.
- Prophetic refers to documented prophecies recorded in the Bible.

2. Read the Bible daily.

3. God reveals Himself through:

- Creation – The Bible tells us the heavens declare the handiwork of God.
- Jesus – Jesus is God
- The written word – the Bible

4. Make it a daily habit to read at least one chapter in the Bible before you do anything else.

Additional Thoughts:

Live It Out

- Study the components of MAARP, so you can explain to others why the Bible is the authentic Word of God and how it can be true after so many years, copies, and versions.
- Develop a habit of reading the Bible daily as a priority.
- Become familiar with some of the many prophecies in the Bible.
